WELCOME

Hello Everyone,

Welcome to our festival! I'm here to tell you all about the fun you're going to have today. This isn't just any festival; it's a special one because while you enjoy all the great drinks, food and music, you are also helping our community. Every penny we make today will go to help people in our town, from young kids to older folks.

We're called **HEART** - which stands for **Helensburgh Events and Reinvestment Trust**. We're a group of eighteen volunteers that love bringing people together to have fun and help out at the same time. Today, you'll find lots of different drinks like ales, beers, ciders, and gins. Each one is special and made with care by amazing brewers and distillers.

I want to say a big thank you to everyone who made this festival possible. Our sponsors gave money and support, our volunteers worked hard to set everything up, and the Helensburgh Civic Centre let us use this beautiful place. We couldn't do it without them!

So, have a great time tasting all the drinks, meeting new friends, and enjoying the day. Thanks for coming and making today special.

Best wishes,
Andrew Duncan
Festival Coordinator, HEART

41 **Freshly Squeezed** 6.5%

This West Coast IPA, get's the Citra & Mosaic treatment... delivering lashings of citrus and mango (good old Mosaic!) flavours. This beer is inspired by an absolute cracking IPA I had the pleasure of sharing an evening with, in Portland OREGAN!

42 **Heart** 5.1%

Our HEART Red Wheat Lager... flavourful from those gorgeous kilned malts, full bodied from that wheat walt, but totally light and refreshing from the Bavarian lager yeast! JUST LIKE HEART! It just works!!

43 **Dani Cali** 5.0%

Our Californian Pale; marrying light caramel malt flavours with the delicate citrusy/piney flavour notes from Cascade hops and a noticeable but not too intense bitter/sweet finish. Straight from Laguna Beach to your glass!

44 **Kardross Kolsch** 5.0%

Our classic Cologne Style Kolsch! This is a light and highly drinkable pint of suds. Brewed and Fermented like an Ale, but finished like a lager to produce a flavourful crisp beer with a cleaner finish. Just so quaffable... All German ingredients of course! No fresher Kolsch in the West!

45 **Helensburgh Helles** 5.0%

Our Munich Helles Style Lager. This is the traditional Oktoberfest beer of Bavaria! All German malts married to that beautiful German hop Hallertauer Mittelfrueh to create a flavourful and superbly refreshing Stein of the best Suds on the planet. If high quality lager is your thing..... we have your thing!

46 **Windy Welly** 5.0%

Our New Zealand Style Pilsner. NZ is leading the way in re-imagining the Pilsner Style, utilising the incredible array of NZ hop varieties. Here we've dry hopped with a ton of Motueka, that delivers the aroma and flavours of fresh tropical limes, pairing beautifully with the German Pilsner Malt

Jelly Legs Gin was launched on 23rd December and named after a pet lamb who was born unable to stand but with a gutsy will to live.

The first Gin, a bramble liqueur, has become a firm

favourite either on its own or with tonic or prosecco.

At the Helensburgh Gin Festival we are launching our second Gin aptly named the '**Helensburgh Dry**'.

It is a full flavoured yet balanced gin using pink peppercorn, cloves and our favourite bramble. Enjoy with tonic and ice or our Elderflower Cocktail.
